Meet Your Show Manager

Welcome

My name is Kanella Barnes, and I am honored to manage the Chamisa Value Show this year. In addition to being a full-time student at UNM, I am an avid rock climber, cook, and yogi. I have spent the last two years falling in love with the world of horses.

I look forward to building my community in this industry and being the best show manager I can be. I wish all a safe and successful show.

Youth

At the March AHANM Youth meeting, members learned more about horse shows and prepared for the upcoming Chamisa Classic. All youth received a detailed list of all items needed for the horse show, and experienced youth shared their most important preparation tips. Veteran youth member Leala Mosher gave hands-on lessons on successful in-hand and showmanship classes.

We are looking forward to growing our group this year and look forward to seeing even more of our youth members at our next meeting on Saturday, April 23 at 1:00 pm!
