Meeting Minutes

New Business:

We are a 501-C5 not 501-C3, can we change our designation so we can get donations that can be written off? We would like to have sponsorships that can be written off so we are able to collect donations that can be written off instead of seen as an expense. Vote on at the next meeting to change hopefully. UEI number allows us to apply for grant money. Nusenda denied us again and didn't give a reason, probably because of our 501-C5 designation.

Moved Meredith to Activities and Promotions but is happy to help with A and P and still maintain membership. Tammy to finish banquet this year. Kylie to possibly to Membership.

Bring ideas for Zia and R8 for high point awards.
